

## **Grandma Thompson's Christmas Eve Hot Fudge Sauce**

½ cup Butter  
2 squares Baker's Chocolate  
2 cups Powdered Sugar  
¾ cup Evaporated Milk

Melt butter and chocolate in sauce pan. Stir in powdered sugar. Add evaporated milk. Cook about 10 minutes until thick. Add more evaporated milk when reheating to thin, if necessary.

Makes about two cups. Makes a great gift, packaged in a canning jar with a dozen cookies.
